February 15, 2017

Dear Plaza Towers Parents and Patrons,

It has been brought to our attention that there have been some traffic issues during afternoon dismissal. We have been working closely with the City of Moore and Moore Police Department to rectify any issues that may be causing some of our patrons problems, as well as the homeowners and the city with regard to fire and ambulance services. We have been notified by the City of Moore that they are in the process of making Eagle Drive a "NO PARKING" zone on the east side of the street during school zone hours. Parents picking students up in the afternoon (Car riders) should enter through the northeast entrance and proceed to the entrance where a teacher/staff member will load your student into the car for you. (The pick-up location is subject to change due to the completion of our construction. More information will follow as needed.)

The city has stated that this ordinance will be enforced. Any cars parked on the east side of Eagle Drive during school zone times will possibly be ticketed. Based off of police recommendation, traffic should be able to flow easily on Eagle Drive in both the north and south direction to help ensure that any emergency vehicles are able to get through properly. The City of Moore would also like for all cars to be considerate of homeowners and avoid blocking driveways on any street in this area including 11th Street, 14th Street, and Eagle Drive.

Thank you for your cooperation in this matter. The safety of our students and patrons is our foremost concern. We hope these changes benefit you, as well as the city and the community.

Sincerest regards,

Patrick Chase
Principal
Plaza Towers Elementary
