

CROSSWALK SAFETY TIPS-PLEASE HELP REMIND KIDS

Reminders from your Sooner Elementary Crossing Guard

- Walkers **MUST WALK** (not run) to and from the front doors of the school and also inside the crosswalk/on street.
- Bike Riders must walk beside their bikes (not ride) to and from the bike racks and inside the crosswalk/on street.
- **ALWAYS** wait at least 3 feet back from the road until crossing guard gives the all clear to cross.
- All car riders should never cross into the parking lot to get into a vehicle. Car riders should only get into a vehicle at the flagpole with supervision by an adult.
- Walkers that discover they are car riders should walk the sidewalk back to the flagpole and **NOT** get into or out of vehicles at the curbside.
- At School Breakfast Eaters **ONLY**, may come to crosswalk at 8:40 a.m. to cross. Everyone else should not arrive at crosswalk until 9:00 a.m. as class doesn't begin until 9:15 a.m. Crossing Guard is **NOT** responsible for children arriving too early.
- **DRIVERS**, please keep crosswalk clear at all times. Stopping a vehicle inside or too close to the crosswalk when children are present or **NOT**, only causes a delay in traffic and blocks buses from entering the correct driveway.
- Let's have a **FUN & SAFE** School Year. Welcome back **ROADRUNNERS!!!!**
