Part of the National Defense Education Program, science, math, and research for transformation. Open to undergraduate, graduate, and doctoral students pursuing degrees in science, technology, engineering and mathematics.  
Website: [http://smart.asee.org/](http://smart.asee.org/)

The Molly Brotman Future Leaders through Education Scholarship  
Deadline: Year Round  
Brotman Law is a firm believer in the value of education as a platform to achieving personal, professional, and financial goals. We believe that education is the foundation that leads to people realizing their full potential and making a difference in the world. Every day, bright minds go off to institutions of higher education and those minds will be the platform for our future success as a nation. In an effort to make the financial burden of higher education a little easier and to facilitate big ideas, we are offering an annual $500 scholarship to students currently attending or planning on attending college during the next academic year. This can be used toward the cost of education, educational materials, or travel associated with higher learning or professional development.  
Website: [http://info.sambrotman.com/scholarship](http://info.sambrotman.com/scholarship)

UCanGo2.org

Have an overall GPA of 3.25 or a major GPA of 3.5 or higher; Be a college sophomore, junior or senior. Satisfy one of the following substantive requirements: Be an RMI major/minor/concentration student; Have taken RMI courses; or Have work experience in the RMI industry.

National Society of High School Scholars Foundation Stem Scholarship
Deadline: April 1, 2017
The NSHSS Foundation provides STEM scholarships for underrepresented groups in order to help reduce financial barriers for those with academic and leadership potential and the desire to pursue STEM careers. We recognize that in order to increase diversity in the technology workforce, we must increase diversity in undergraduates. STEM scholarship application for $1,000 college scholarships with a deadline of April 1, 2017. High school seniors with a minimum GPA of 3.0 and demonstrated desire to major in any area of science, technology, engineering, or mathematics are eligible. Requirements include personal statement, list of STEM activities, photo, transcript, and educator recommendation. **Note to all applicants: A transcript, resume, essay, and photo must be submitted for all NSHSS Foundation scholarships (The STEM Scholarship requires a list of STEM activities in lieu of a resume). One educator recommendation will be applied to all NSHSS Foundation scholarships.

Website: http://nshssfoundation.org/scholarships/stem-scholarships/ (http://nshssfoundation.org/scholarships/stem-scholarships/)

Pete and Lela Stavros Scholarship
Deadline: April 1, 2017
The Pete and Lela Stavros Educational Foundation was established following the retirement of Pete Stavros as director of legislation for the Oklahoma State Firefighters Association. Scholarships given by the Pete and Lela Stavros Educational Foundation honor his career and service as a firefighter and promote the couple's interests in providing educational opportunities for the children of Oklahoma's firefighters. A permanent endowment fund was established at the Oklahoma City Community Foundation in June 2002 and continues to receive contributions from association members across Oklahoma. Award Amount: $1,000. Funds may be used for educational-related expenses such as tuition, fees and books at any academically accredited two-year, four-year or vocational technical nonprofit institution in the United States. Payments are made directly to the school.

Project Yellow Light - Hunter Garner Scholarship
Deadline: April 1, 2017
Project Yellow Light is a scholarship competition designed to bring about change. As an applicant you have one clear mission: encourage your peers to develop and embrace safe driving habits.
Here's what we're looking for. A video, billboard design or radio spot created to motivate, persuade and encourage your peers to not drive distracted. You have a unique opportunity to play a key role in spreading this important message. You can speak to your peers on this subject in a way that adults cannot. The more lives you can impact, the more lives you can save.

For the video competition: For both the high school and college categories, the first-place winner will receive a scholarship in the amount of $5,000. Second-place finisher will receive $2,000. Third-place finisher will receive $1,000. Videos are due April 1.

Oklahoma PTA Scholarship Application
Deadline: April 7, 2017
Oklahoma PTA is accepting applications for its 2016-2017 Scholarship Program. Scholarships have a minimum award value of five hundred dollars ($500) and may be worth more depending on the number of applicants. Applications are limited to seniors graduating from an Oklahoma High School that has an active PTA/PTSA unit. The unit must be in good standing with Oklahoma PTA for the application year. Applicants must be a member of their local high school PTA or PTSA or they can join All Oklahoma PTA if there is not a PTA or PTSA at their school. Proof of membership must be submitted with the application. Eligible applicants must attend an Oklahoma college or university. There is no restriction on field of study. Please note that scholarships will be sent directly to the awardee's school after enrollment is verified - checks will not be sent to individuals. Any applicant who has received more than ten thousand dollars ($10,000) in other combined scholarships or grants in an academic year is not eligible to apply. All information requested must be provided. Incomplete applications will not be considered.

The student will receive $5,000 per year for up to four years of university study.
Website: http://www.spe.org/scholarships/archie.php  

Jimmie L Dean Scholarship Foundation
Deadline: April 15, 2017
The Jimmie L. Dean Scholarship Foundation, Inc. was established in 2008 from the generous gift of Jimmie L. Dean. The Foundation exists today to fulfill the virtues and honor the legacy of Jimmie by awarding scholarships to individuals who have grown up in Oklahoma that have and continue to exemplify the same beliefs of hard work, individual responsibility and education for attendance at an Oklahoma accredited College, University or Technical School. To be eligible for an award you must be an Oklahoma resident entering and attending an Oklahoma college, university or technical school from the list in the application form for the first time in the fall semester of 2017. Only students who attended an Oklahoma High School or were home schooled while living in Oklahoma will be considered residents by the Foundation. If you are not a graduating high school student in 2017 or a homeschooled student completing the high school requirements in 2017 you will not be considered for an award. Each Scholarship Award granted can be up to $10,000 per academic school year with the actual amount of each award determined by the Foundation.

Society of Petroleum Engineers (SPE), Inc.
Deadline: April 17, 2017
The Oklahoma City Chapter of The Society of Petroleum Engineers (SPE OKC) is offering scholarships for graduating high-school seniors to be awarded for the 2016-2017 school year. The scholarships are divided into two groups: (1) Qualified, graduating high school seniors in SPE Oklahoma City Section's coverage area, pursuing a Petroleum Engineering Degree, or (2) The Son or Daughter of an SPE Member and enrolled in a math or science program. SPE has distributed these scholarships since 1998 and this program has been a huge success. We need your help in finding talented young people. Successful candidates will exhibit superior communication skills and display ability in math and the sciences. The awards will be distributed when the recipient is registered and declared as a full time college freshman in an accredited university.

**Danny Gutierrez Memorial Scholarship**

Deadline: May 1, 2017

Selected applicants will be notified after September 1, 2017 and name will be displayed on NHCFE’s main page. The Danny Gutierrez Memorial Scholarship was developed to assist minorities and females studying electronic and engineering majors, who need financial assistance to attend college. Each year, 1 scholarship is awarded to 1 individual who is studying electronics or engineering. Danny was a friend and mentor to many of us, with a passion to help those in need. Especially those whose dream was to achieve higher education. BASIC ELIGIBILITY REQUIREMENTS: Major field of study must be in Engineering/Technical (ONLY). Must be a US Citizen or a permanent resident residing in the United States or Puerto Rico. Applicants must be accepted or attending an accredited college, university, or vocational/trade school at the time the scholarship is awarded. Applications later than expiration date will not be accepted. Faxed applications will not be accepted.  

Website: [http://nhcfae.org/danny-gutierrez-memorial-scholarship/](http://nhcfae.org/danny-gutierrez-memorial-scholarship/)

**IIAO Insurance Foundation - Marie Welch Scholarship**

Deadline: May 1, 2017

Up to three $1,000 scholarships will be awarded. To encourage either the beginning or continuation of a current course of higher education study. The funds are to be used for degree or certification studies only at an academically accredited institution in the United States. The scholarship will be awarded on basis of merit as demonstrated by grades, school and community service. Selection will be made by a committee of judges on the basis of information provided in their application and references given herein. *Financial need* is not a criteria.

**StudySoup Women in Technology Scholarship Program**

Deadline: May 5, 2017

As a company driven to help students succeed, we know that college is an important step along many career paths, but it can be expensive. Students can upload notes to StudySoup to lighten their financial burden. However, we still felt like we could do more to give back to the future leaders of the world. We also believe that it is our responsibility to foster innovation in the field
of technology and help underrepresented students break down barriers. Therefore, we are offering a $1,000 Women in Technology Scholarship to an outstanding female student who is planning a career in the field of computer science and/or computer programming.

**Website:** [https://studysoup.com/women-in-technology-scholarship](https://studysoup.com/women-in-technology-scholarship)

**OSLS Scholarship Program**
Deadline: May 15, 2017
The Oklahoma Society of Land Surveyors Scholarship program will provide financial assistance to those applicants who are seeking a career as a Registered Professional Land Surveyor. Scholarships will be awarded to successful applicants who have demonstrated talent and achievement in the areas of leadership, citizenship, and genuine interest in land surveying. Amount of scholarship will vary depending on number of applicants.

**The Jason C. Wagner Foundation Scholarship Application**
Deadline: May 15, 2017
The Jason C. Wagner Foundation was established in 2007 to honor the life and legacy of Jason Christopher Wagner. Jason was a much-love father, husband, son and Oklahoma attorney who strongly valued education and all of its inherent attributes. The Foundation’s primary focus is to award college scholarships to graduating high school seniors in the state of Oklahoma who reside in the counties Jason represented in his legal practice. Scholarships are awarded to applicants who, in the Foundation’s view, most exemplify the characteristics Jason had in life: integrity, intelligence and kindness. To date, Foundation has raised and awarded close to $60,000 in college scholarships to Oklahoma students.

At the time of application, an Applicant must: (i) be a resident of the State of Oklahoma; (ii) be attending a public, state-accredited high school in the State of Oklahoma; (iii) be a high school senior in good standing; (iv) be under the age of twenty (20) years old; (v) be fully qualified to graduate from such public high school in the spring of the 2016-2017 academic year; and (vi) have applied and/or be enrolled in an accredited institution for higher learning in the State of Oklahoma.
