## Principal's Piece...by Mrs. Jackson

It is hard to believe we are in the home stretch of another school year! Time certainly flies by quickly when students are engaged in the learning process and having fun. The success of our students reflects the dedication and commitment of our faculty, along with the parents who share the responsibility of educating our children. Thank you for your continued support throughout the year and allowing us to be a part of your child's educational experience. My hope is for each of you to have a safe, fun, and rejuvenating summer. "Don't cry because it is over...Smile because it happened." ~Theodor Seuss Geisel
