

Dear Future Bobcat and Parent(s):

We want to take this opportunity to welcome you to Brink, one of the top 6A Junior Highs in the state of Oklahoma. Seventh grade is an important transitional year and we want to do everything possible to make it a comfortable and successful experience for our new students.

We will have two enrollment nights this year (**Please see the "Save the Date" form for more information**). It is very important that you attend the enrollment session to ensure your child is enrolled for the 2020-2021 school year. Please complete items in this enrollment packet prior to enrollment night to expedite the process. Please check off each required item on the outside label of your envelope as you place them back inside. If you cannot attend your assigned session, please call the Brink Counseling Center to set up an appointment.

Although students must be current with all required immunizations, we will not take these records on enrollment night. If you have any updated records, please submit them to your elementary school before the last day of school. If you update during the summer, you may turn them in at Brink in August. Our school nurse has arranged to be here on both enrollment nights, after the session, to give TDAP shots.

You will be required to submit a current (December 2019 or later) proof of residence on enrollment night. The proof can be a gas, water, electric bill, mortgage or lease and per district policy, we cannot accept "cut off notices." If you need a copy of your proof, please make it ahead of time if possible. **Also, please print your child's name at the top of it.**

If your child is currently attending school on an intra-district transfer, you will still need to enroll on the assigned enrollment night for your home school. You will need to pick up your transfer paperwork from your home school, have it signed from the home school, and returned to the school you are wanting to transfer to on or before March 1st. If you are currently on a residency affidavit, you must provide paperwork again in August for the 2020-21 school year. Call Mrs. Schuff (735-4544) for questions or to schedule an appointment.

Please put Brink's enrollment night date on your calendar. You may also look on the Brink Webpage for more information about 7th grade enrollment. I have provided more information about the Webpage on the back of this paper. If you have any questions, please call or email me.

See you soon,

Kimberly Martinez

7th Grade Counselor for the 2020-2021 School Year
