

My Grown Up Christmas List

Lyrics by Linda Thompson-Jenner

Sung by Kelly Clarkson (and several others)

Do you remember me
I sat upon your knee
I wrote to you with childhood fantasies
Well I'm all grown up now
And still need help somehow
I'm not a child but my heart still can dream

So here's my lifelong wish
My grown up Christmas list
Not for myself but for a world in need

*No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end, no
This is my grown up Christmas list*

As children we believe
The grandest sight to see
Was something lovely wrapped beneath the tree
But Heaven only knows
That packages and bows
Can never heal a hurting human soul

*No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end, no
This is my grown up Christmas list*

What is this illusion called the innocence of youth
Maybe only in our blind belief can we ever find the truth

*No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end, no
This is my grown up Christmas list*
This is my only lifelong wish
This is my grown up Christmas list
