Attention Students:

Do you still have library books from last year? Or the year before? Or the year before that? Please return your overdue books to the library as soon as possible. Remember, the library does NOT charge a late fee; however, the hold will not be removed from your account until the book is returned. Also, you will not be able to check out a book until the overdue books have been returned. Thank you for returning your library books so others may enjoy reading them too.
