

Westmoore High School
Honors English II
Summer Reading Assignment
2020

To Kill a Mockingbird by Harper Lee

The required assignment that goes along with this summer's reading is attached. We also suggest that students write questions and take notes as they do a close reading of the book.

During the first week of school, students should be prepared to take a test over the novel, complete a timed write, and participate in group presentations and discussions.

Students will need to bring *To Kill a Mockingbird* to class for at least the first two weeks, for we will be completing additional assignments over the book.

There are copies available to check out at the Moore Public Library, the South OKC Public Library (134th and Penn), and other retail locations such as Half-Price Books, etc.
