

Letter Recognition

Suggestions for practice

- Letter Mats
 - Do pages in order
 - Add on a page when child has mastered the current page
 - Do all capitals on a page then lowercase
 - Say letter name - picture word - letter sound each time a letter is put down
 - Before a new letter is put down, have your child touch and say each letter name starting with A.
- Computer
 - mooreschools.com - heritage trails - our staff - mickie key
There are links for parents and students
 - reading eggs.com
 - log in is student first and last name with no space and their ID number
 - i-pad application - Meet the Letters
 - Teach Me Kindergarten
 - Starfall
 - Teach Me First Grade
- DVD
 - Meet the Letters by PreSchool Prep Company
 - Leapfrog Letter Factory

Letter Recognition

Suggestions for practice continued

- Make your own, use purchased cards or download cards found on our web page
1. Have your child identify all the letters (upper and lowercase) in the deck. You may wish to add sounds.
 2. Use the cards as flash cards. How speedy can you be? The goal is one second or less. Track their total time and have them try to beat their last best time.
 3. Play a game of Memory. Turn the cards upside down. Take turns trying to find a match. Have your child say each letter that is turned over. Use 20 matching upper and lowercase letters.
 4. Take turns finding the abc's as you travel
 5. Give your child a newspaper or magazine. Have them mark or cut out all the letters that match a certain letter card.
 6. Make Play Doh ropes of the letters
 7. Write the letters in pudding or shaving cream
 8. Spray (water) the letters on the drive and identify
 9. Put the letters on a ring and practice in line at the store or while waiting at ball practice.
