

Southridge Junior High

Tech Cats/ Kit Kats/ Cyber Paws/ Ridge Bots

We are a robotics competition team. We currently participate in VEX IQ robotics competition program, a program in which participants design, build and program a robot to complete specific tasks/challenges.

We are a fairly new team in the VEX world. This is our fifth year and we are looking forward to a great season. We are one of five junior high sites in our district with teams. Last year all of our teams made it to the state championship and one of our teams was a finalist in a world-wide video competition promoting robotics. Our goal is to learn as much as we can from going to several competitions. We plan on earning a bid to state. Our goal is to qualify for the World competition in April.

Due to Covid-19 shutting down school we were unable to accept applications before school was out. Typically, our teams are made up of twenty to twenty-five hardworking and motivated students. That sign up to sacrifice their after-school time to design and construct a competitive robot in six weeks. We have some students coming into the program with past experience, but the majority are here for a new experience and are very eager to learn. We are certain they will contribute greatly to our team.

About the VEX IQ Program

The world needs the students of today to become the scientists, engineers, and problem-solving leaders of tomorrow. Science constantly presents us with new breakthroughs and challenges, creating greater opportunities for problem solving through technology.

The solutions to such problems could help change the world, and technology-based problem solvers will be the people to make it all possible. The VEX IQ platform and curriculum provide a fun and engaging vehicle to begin the journey toward becoming the type of problem solver our world needs the most. No matter what you see in your future, the VEX IQ platform and curriculum can help you build the kinds of skills expected of a 21st century innovator.

Estimated 2020-20201 Budget

Item	Cost	Description
Tournament Registration	\$2400	Tournament registration fee and base kit of parts every team receives.
Pit Supplies	\$100	Supplies which go in our designated area (pit) at the tournament.
Banner	\$100	A banner with team name and logo, as well as logos of company sponsors
Furniture (carts, toolboxes, etc)	\$200	A cart to move our robot around the tournament and other furniture such as tables to work on when in the pit.
Giveaways and Gifts	\$1000	Items to give other teams to remember us by. Part of the hospitality portion (\$200 for each team)
Computers	\$2000	We are needing additional computers for programming skills.
Miscellaneous Tools (Screwdrivers, extension cords, surge protectors, zip ties, USB Drives, etc.)	\$200	The rest of the basic tools which we do not currently own.
T-Shirts	\$1000	Team T-shirts for use at the tournament.
Hosting a Tournament	\$3000	Equipment and rental fees to host a local tournament
Total Estimated Budget:	\$10,000	

- Tournament fees and giveaways could be higher if we make it to the Worlds Competition

2020-2021 Southridge Junior High Robotics Sponsorship Form

Please fill out the following form and return it to the address at the bottom of this page.

Name of Individual or Company:

Contact Information:

Address:

City: _____ State: _____ Zip
Code: _____

Email Address:

Phone Number: _____ -

Sponsorship Information:

I/We plan to pledge the following financial contribution (Donations are Tax Deductible)

<input type="checkbox"/>						
\$100	\$250	\$500	\$1000	\$2500	\$5000	Other \$ _____

I/We plan to pledge the following other contributions:

<input type="checkbox"/>	Materials (Computers, Tools, etc. ..)
<input type="checkbox"/>	Services (Printing, Equipment/Facilities, etc....)
<input type="checkbox"/>	Mentorship (CAD or Robot C Training) Name of Mentor: _____ Email : _____ Phone: _____

T-Shirt Sizes and Quantities, if applicable (See: "What do you receive for your contribution?")

XS:	S:	M:	LG:	XL:	XXL:	XXXL:
-----	----	----	-----	-----	------	-------

Please make checks payable to:

Southridge Junior High

Memo: Robotics Team

Please send checks to:
