Brink Junior High School and Patriot Guard Riders Team Up to Honor Veterans

MOORE, OK – Brink Junior High School students and staff welcome the Patriot Guard Riders of Oklahoma on Friday, November 22, 2019, for the school's annual outdoor assembly to honor veterans.

In addition to choir and band performances, members of the Patriot Guard Riders (PGR) will display the proper way to retire the American flag and will present it to the Boy Scouts chapter.

"We believe this is an enriching experience for our students as it provides them the opportunity to honor and pay respect for our veterans and for our country's national symbol of pride. Throughout our district and our school, we strive to build good character within our students today, so they will become honorable members of society later," said Principal Joseph Ross.

The Patriot Guard Riders are a national organization, founded in 2005, with more than 200,000 members who have joined to show respect for fallen heroes and first responders through escorting processions, assembling flag lines, and to shield mourning families from outside interruptions such as protestors.

Students and staff will have an opportunity to take pictures with the motorcycles and riders after the assembly. This is the 2nd annual collaboration between Brink Junior High School and the Patriot Guard Riders of Oklahoma to honor veterans.
