OBSTACLE COURSE

Ready

- Use your imagination to create an obstacle course. Use things you can run to, climb on, jump over, crawl under, or balance on. Be creative!

Set

- Decide how to move through the course.
- It should have 4-7 moves.

GO!

1. Run through the course and finish as fast as you can.
2. Have someone time you. Then see if you can beat your record!

SPARK It Up!

- Go through the course in reverse order!
- Have a sibling or friend start 5 seconds ahead of you. See if you can catch them.

Ideas for your obstacle course -

- ✦ **Cardboard boxes** (to go over, around, or through)
- ✦ **Broom** (as a limbo stick to go under, or a hurdle to go over)
- ✦ **Rope** (create a "balance beam")
- ✦ **Hoops** (to hop or jump in, over, or around)
- ✦ **Ladder** (run through the rungs when laid flat)
- ✦ **Playground** (use the equipment there to create a course)
