

MPS Parents/Guardians:

Canvas is the Learning Management system that MPS teachers use to share daily lessons and will be our primary way to manage digital learning when students are absent or for virtual days. Canvas may also be used for communication between teachers and parents/guardians.

Please use the pairing code provided and these instructions to set up your account.

(Keep in mind pairing codes expire after 7 days.)

Follow the steps below or [visit this link to watch a video tutorial](https://bit.ly/CanvasParentMPS) (bit.ly/CanvasParentMPS).

Step 1-Open an MPS Web Page and find the Canvas icon by clicking the flyout menu (circle w/three lines in upper right corner) or scroll down to the **Moore Resources** section.

Step 2-Click the Canvas button that looks like this:

Step 3-Scroll down to the block that says "Parent/Guardian Login" and click

Step 4-You will see a login screen, in the upper corner select "Parent of a Canvas User?"

Step 5-You will now be prompted to set up your account with name, email, password, and student pairing code. Once all information has been added select "Start Participating"

Step 6- You made it! Select "Account" >> "Settings" >> under "Ways to Contact" Select "+Email" or "+Contact Method" to update your contact information (Change other account details as needed)

Step 7- From the "Dashboard" view you will see your student's "Course Card(s)" click on these cards to enter the course as a parent observer. *Note you will only see your child(ren)'s content and teacher feedback.

Once you have set up an account using these directions you can access Canvas from any MPS webpage or download the Canvas Parent app.
