

## Specials and Library Activities

**Instructions: Complete one row of activities each week. Color in the box after complete.** All activities can be done individually or supported and/or modified by family members.

<b>WEEK ONE</b>	<b>LIBRARY</b> Read an article in PebbleGo or PebbleGo Next. Share 3 new facts you learned.	<b>ART</b> Find a favorite toy, put it in front of you and draw it!	<b>P.E.</b> Perform at least 7 stretches that you've learned in PE. (Hold each stretch for 30 seconds).	<b>STEAM</b> Create a tangram puzzle.	<b>MUSIC</b> Sing any song, with your best singing voice, to a friend or family member.
<b>WEEK TWO</b>	<b>LIBRARY</b> Make a tiny book and add your own adventure story. *Watch Mrs. Moore's Week 2 video to find out how to make a tiny book.	<b>Music</b> Create a dance to go along with your favorite song or have a radio dance-party for 20 minutes.	<b>STEAM</b> "Code" a family member from across the room. Give specific directions.	<b>P.E.</b> Do 100 jumping jacks today.	<b>ART</b> Pick a color. Go around the house and gather 15-20 items of that color. Put them in order from lightest to darkest.
<b>WEEK THREE</b>	<b>STEAM</b> If you could invent one thing to make the world a better place, what would it be? Create a diagram/ picture and write about why this invention would be so important.	<b>ART</b> Name the Primary colors and draw something using only them!	<b>P.E.</b> Have a sit-up and push-up competition with a family member. Use one minute for time.	<b>MUSIC</b> Design and draw a new musical instrument. Describe how to play it and what it sounds like.	<b>LIBRARY</b> Find an author or illustrator's website and learn more about the person behind the book. If they have contact information, write to them and see if you get an answer back.
<b>WEEK FOUR</b>	<b>STEAM</b> Create a marble maze.	<b>P.E.</b> Ride your bike or go for a walk/run.	<b>MUSIC</b> Change the lyrics to an existing song to make a brand-new song. (Parody)	<b>ART</b> Create a sculpture from Legos or similar toys. Give it a title and take a picture of it.	<b>LIBRARY</b> Find a picture book or section of a chapter book that has good dialogue. With a family member, read the story using different voices for the characters.
<b>WEEK FIVE</b>	<b>MUSIC</b> Listen to a piece of music and draw a picture of what it is about or how it makes you feel.	<b>ART</b> Geometric shape drawing/painting. Draw/paint a picture using only geometric shapes.	<b>Library</b> Take a picture of you reading. If you can send the photo to Mrs. Moore.	<b>P.E.</b> Can you plank for 30 secs? One min.?	<b>STEAM</b> Compete with a family member to build a tower or bridge out of household supplies. How tall or wide can you make it?
<b>WEEK SIX</b>	<b>LIBRARY</b> Have a family member take a video of you briefly telling about one of your favorite books. Remember to include what makes it special.	<b>ART</b> Find 10 things with different textures and glue them to a piece of cardboard/paper to create a collage.	<b>MUSIC</b> Watch a musical and sing the songs in it- Disney movies count as well!	<b>P.E.</b> With your back flat against a wall and knees bent, do a wall sit for 60 secs.	<b>STEAM</b> MYOC! Make your own creation! Gather household supplies you might have and create your own design. Take a picture or record a video of you talking about it.
