About This Resource

Students can use this graphic organizer as a guide to aid in their learning while using MyOn News. I allow for my students to complete this in class while they are on MyOn News. You can choose to use this however you would like in your classroom.

Write in the article's name.

Article Name:	Published Date:

Write down the day that the article was published to MyOn.

Work on whatever the act of the article is for you.

My Act from this Article:

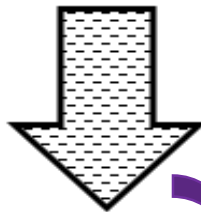

WHAT DID I LEARN?

Fact #1	Fact #2
Fact #3	

Write down three facts that you learned while reading this article.

What did I find very interesting in this article?

EMOJI REACTION

Draw an emoji that best represents your reaction to this article.

Write down one interesting idea from the article.

WHERE IN THE WORLD?

Plot where in the world this article takes place.

Name: _____ Date: _____
