## Alternative Programs

MAST - Moore Alternative School and Treatment grades 7-12 for students who are experiencing behavior, legal, and or substance abuse related problems. This program is a partnership between MPS and Moore Youth and Family Services.

VISTA Academy - Designed for "at-risk" students who have not been successful in the regular school setting.

Night School- Designed for the "at-risk" student who has not been successful in the regular school setting, the student who needs evening class time, and/or a student who has dropped out of school and wants to return to pursue graduation requirements.

## Educational Platform Explanations

Canvas - Canvas is the Learning Management System used by PreK-12th grade teachers and students. It serves as a platform where teachers can post assignments, create discussion boards, and upload content like PowerPoints and instructional videos. For students, Canvas creates a one stop shop to see assignment details, due dates, and learning resources for all their courses.

Odysseyware - Odysseyware is an online curriculum for students in grades 3-12 used by Moore Virtual Academy. This platform is curriculum delivery only. There is no teacher assigned to assist students with course content.

Infinite Campus (IC) – Infinite Campus is the student information system database where all academic records are stored

## Oklahoma Promise

If you qualify for Oklahoma Promise, please apply at [okhighered.org/okpromise](http://okhighered.org/okpromise) (free college tuition)

## Schedule Changes

Schedule changes will be given for the following reasons:

- Credit has already been received for the course.
- The student does not have the pre-requisite for the course.
- There is a blank hour on their schedule.
- The student wants a more advanced course. (Honors or AP)
- The student has previously failed with the same teacher.
- The student did not choose the course (provided pre-enrollment forms confirm this).
- The student has been approved to attend Moore Norman Technology Center.
- A senior student has been approved to enroll concurrently at a college.
