

Fisher Elementary/ Falcon Landing
Before and After School Program

We are currently enrolling students in our before and after school program for the 2019-2020 school year. To reserve a spot for your child in the program you will need to complete the enrollment form, parent contract, and DHS form and return it as soon as possible with your enrollment fee of \$30.00*.

The before and after care program is a convenient opportunity for your child to stay in a safe and caring environment that is affordable and offers premium care for children in K-6th grade. Each afternoon there is a snack provided for each child, with dietary restrictions as needed. There is homework assistance, planned outdoor or gym activities, computer time and games. We maintain a fully-trained staff consisting of certified teachers and paraprofessionals that teach in the school daily and are DHS certified.

At 8:45am, the children will be able to go to the cafeteria for breakfast or to the gym to walk until the school bell rings at 9:00am.

Monthly payments will vary according to the amount of days in the month. We have many payment plans such as monthly, weekly, or bi-weekly. If there are any days out due to inclement weather, those days will be credited to the next month's payment plan.
